2016 Elite Instructor Award

The 2016 Elite Instructor Award Year runs from 1 January 2016 through 31 December 2016, but you'll have until 15 January 2017 to get all of your certifications processed. **You do not need to apply for the award; you will be automatically considered for the award if you issue any qualifying certifications during 2016.** (Please see the "Qualifying Certifications" section below.)

Recognitions

If you issue 50, 100, 150, 200 or 300 qualifying certifications, your accomplishment will be recognized during **the first quarter of the following year**, as follows:

- You'll get an "Elite Instructor" decal to affix to your PADI Instructor card.

- You'll also receive an "Elite Instructor" e-badge to use in your electronic communications. If you work for or are associated with a PADI Dive Center or Resort, *you have the option* to authorize that business to display your e-badge on its website or other electronic communications. This is optional and solely at your discretion.
- If you have (or if you purchase) a PADI eCard for yourself, your Elite Instructor e-badge will be automatically added to your eCard.
- Your Elite Instructor Award information will be included in Pro Chek™.
- All Elite Instructor Award Recipients will also get a certificate recognizing them for their qualifying certifications: 50, 100, 150, 200 or 300.
